

Memorandum

MIAMI-DADE
COUNTY

Date: February 1, 2005

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

Agenda Item No. 4(J)

From: George N. Burgess
County Manager

Subject: Ordinance Establishing the Small Business Enterprise (SBE) Program

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached ordinance establishing the Small Business Enterprise (SBE) Program for the acquisition of goods and services.

BACKGROUND

On August 20th, 2004, Federal District Court Judge Adalberto Jordan issued a ruling in the case of Hershel Gill Consulting Engineers, Inc. et al. v.s. Metropolitan Dade County. This is the second federal court decision finding that the County's B/H/WBE programs do not meet the rigorous prerequisites required for the application of race-, ethnicity- or gender-conscious measures to county contracting. The County Attorney advised the effect of these two federal court decisions is that the B/H/WBE programs can no longer be applied to the bid and award of any County contract.

County staff, including the Department of Business Development (DBD) and the Department of Procurement Management have met with representatives from the affected market areas and with members of the Minority and Women-Owned Business Advisory Board to discuss the establishment of a County race and gender neutral small business program for goods and services. As proposed, the Small Business Enterprise (SBE) Program incorporates two sectors of the local market place: a) very small businesses, defined as Micro Enterprises whose three year average gross revenues do not exceed \$2,000,000 (manufacturers and wholesalers with 50 or more employees are ineligible) and b) small businesses, defined as SBEs whose three year average gross revenues do not exceed \$5,000,000 (manufacturers and wholesalers with 100 or more employees are also ineligible).

Under the SBE program, certified Micro Enterprises will receive an automatic 10% bid preference on contracts of \$50,000 and under. County departments will be required to solicit bids or quotes from at least four firms where available (2 available certified Micro Enterprises and 2 non-certified firms) for contracts of \$50,000 and under. County departments are also required to expend at least 5% of the total value of contracts \$50,000 and under with Micro Enterprises. On contracts that exceed \$50,000, certified SBEs will be afforded opportunities to participate through the application of set-asides and subcontractor goals. The proposed ordinance will also create the Small Business Advisory Board which shall be responsible for reviewing program activities and making recommendations to DBD and the Board on matters pertaining to the program.

Honorable Chairperson Joe A. Martinez
and Members, Board of County Commissioners
Page 2

DBD will be responsible for monitoring the compliance and utilization of contracts with SBE measures in addition to providing management and technical assistance, financial assistance and community outreach to firms interested in participating in the program once adopted by the Board.

In order to demonstrate utilization, DBD will provide an annual report to the Board that will illustrate the County-wide participation levels of Micro Enterprises and SBEs.

In sum, small businesses account for the vast majority of economic activity in Miami-Dade County, the SBE Program will help provide opportunities to small businesses, including entrepreneurial development opportunities for certified Micro Enterprises and SBEs.

- a. Competitive bidding requirements may be waived (by the County Manager or County Commission depending on whether the amount of the contract is above or below the minimum amount established by ordinance for competitive bidding) for a contract and the contract set-aside for bidding solely by SBEs where prior to bid advertisement, there are at least three (3) available SBEs to perform the contract, and where such set-aside is in the best interests of the County.
- b. Transferring to a non-SBE through subcontracting or otherwise all or part of the actual work of a set-aside contract to a non-SBE is prohibited unless such transfer receives prior approval from DBD.

2. *Subcontractor goals:*

- a. Subcontractor goals may be applied to a contract based on estimates made prior to bid advertisement of the quality, quantity and type of subcontracting opportunities provided by the contract and the availability of SBEs to perform such work. Bid documents for contracts to which a SBE subcontract goal is applied shall provide that only SBEs certified to provide the type of goods or services for which a goal is imposed shall be counted towards meeting a goal. The bid documents shall further provide that a bidder must be found in compliance with the requirements of

subsections b and c below in order to be eligible for award of the contract.

- b. Bid documents for contracts to which a SBE subcontractor goal is applied shall provide that a bidder must submit with its bid a copy of subcontract agreements with those SBE subcontractors the bidder proposes to utilize in order for such proposed participation to be eligible to be counted towards meeting the goal. Each agreement shall be in writing, shall be executed by the bidder and the SBE, and shall specify the type of goods or services the SBE is to provide and the price the SBE is to be paid therefore. Each agreement shall incorporate the prompt payment obligations and rights provided by the Small Business Enterprise Program. Bid documents for contracts to which a SBE subcontractor goal is applied shall provide that a bidder that is a joint venture one or more of whose venturers is an SBE must submit with its bid a copy of the joint venture agreement in order for such venturer(s)'s participation to be eligible to be counted towards meeting the goal. The joint venture agreement shall be in writing, signed by all venturers, and shall specify the ownership, control, profits and financial risk assumed by each venturer, including the SBE venturer(s). The joint venture agreement shall also specify the portion of the contract work (i.e., the goods or services to be provided) to be performed by the SBE venturer(s) in detail separately from the work to be performed by the

non-SBE member. The bidder shall receive credit towards meeting the goal to the extent that the combined dollar value of the SBE's participation as shown in the joint venture agreement submitted in conformity with and meeting the requirements of this paragraph bears to the total contract price bid by the bidder.

- c. A bidder that is a SBE may meet up to 100% of the subcontractor goal with its own forces. A bidder that is a joint venture having one or more SBEs venturers may comply with the goal based on the percentage participation of the SBE joint venturer(s) in the ownership, control and profits of the joint venture, and in the performance of the contract work.
- d. Bid documents shall provide only expenditures to SBEs for performing a commercially useful function shall be counted toward meeting a subcontractor goal, expenditures to SBEs who subcontract work further to non-SBEs shall not be counted toward meeting a specified goal unless such subcontracting receives prior approval from the DBD.

3. *Bid Preference:*

- a. A bid preference shall apply to all contracts which are to be awarded on the basis of price (as opposed to RFPs, RFIs and RFQs) and are not set-aside. The preference shall be used only to evaluate a bid and shall not affect the contract price.
- b. The preference accorded on contracts \$1 million or less shall be ten (10) percent of the price bid. The preference

accorded on contracts greater than \$1 million shall be 5% of the price bid.

Preferences shall be applied to the bid price of bidders that:

Are SBEs/Micro Enterprises;

Are joint ventures with at least one SBE/Micro Enterprises; or

- c. Bidders that utilize SBEs/Micro Enterprises in their purchases of goods or services in order to receive a preference, shall list at the time of bid submission or as may otherwise be specified, their purchases of goods and services and their utilization of SBEs/Micro Enterprises in such purchases for the twelve-month period prior to bid submission.
 - d. Joint ventures must be approved by DBD prior to bid opening. The SBE/Micro Enterprise member of the joint venture shall perform work, manage the job and take financial risks in proportion to its level of participation in the joint venture. Agreements establishing joint ventures shall be in writing and shall specify work and financial risk assumed by the SBE/Micro Enterprise. Bid and contract documents shall require that the portion of the work to be performed by the SBE/Micro Enterprise member of the joint venture be set forth in detail separately from the work to be performed by the non-SBE/Micro Enterprise member.
4. *SBE Selection Factor.* Any bidder that is an SBE, a joint venture with a SBE, shall be accorded a selection factor on all RFPs, RFQs and RFIs for contracts greater than \$50,000

that are not set aside for bidding solely by SBEs.

RFPs, RFQs and RFIs that assign weights to evaluation or selection criteria, shall provide that a bidder entitled to a selection factor shall receive an additional ten (10%) percent of the evaluation points scored on the technical portion of such bidder's proposal. RFPs, RFQs and RFIs that do not assign weights to evaluation or selection criteria, shall provide that whenever there are two best ranked proposals that are substantially equal and only one of the two so ranked is submitted by a bidder entitled to a selection factor, the selection factor shall be the deciding factor for award.

2. Any SBE/Micro Enterprise that exceeds the size limits established by this Section shall be allowed to retain its certification for one (1) additional year from the date it is formally notified it has exceeded the size limits. Such SBE/Micro Enterprises shall be allowed to remain through the contract period on awarded contracts. With exception of provisions

15

described in the ordinance for graduation from the SBE/Micro Enterprise program, loss of certification may lead to removal of the firm from continued participation in the Small Business Enterprise program.

3. The Department of Business Development shall maintain and publish at least every other week an updated list of SBEs and Micro Enterprises, identifying each listed SBE and Micro Enterprise based on the nature of the goods and/or services the SBE and Micro Enterprise shall be certified to provide.

If the prime vendor fails to submit undisputed billings from a SBE to the County as specified herein or chooses not to submit any billing to the County pursuant to the billing schedule, the

Departments shall report disputed invoices to the Board on a quarterly basis.
